Group I - Kindergarten - (must be in kindergarten during the 2008-2009 school year) In this age group we will be singing songs, learning poems, making puppets, and lots of other fun activities. We will also perform at the "grand finale," but we emphasize fun. Lots of play time and a chance to explore the park as well.

Group II - Grades 1-2 (during 2008-2009 school year) Using their imaginations, props, costumes, and sets they design, this age group will travel through their imagination, acting out short plays and skits. Lots of fun for everyone! The children will be exposed to music, drama, and lots of creative play, as well as some of the support work (such as costume and set design) that brings such a production together. They will also have art projects that compliment their dramatic work, and plenty of time for exploring the park, and free play.
